

Not So Quiet MOUSE

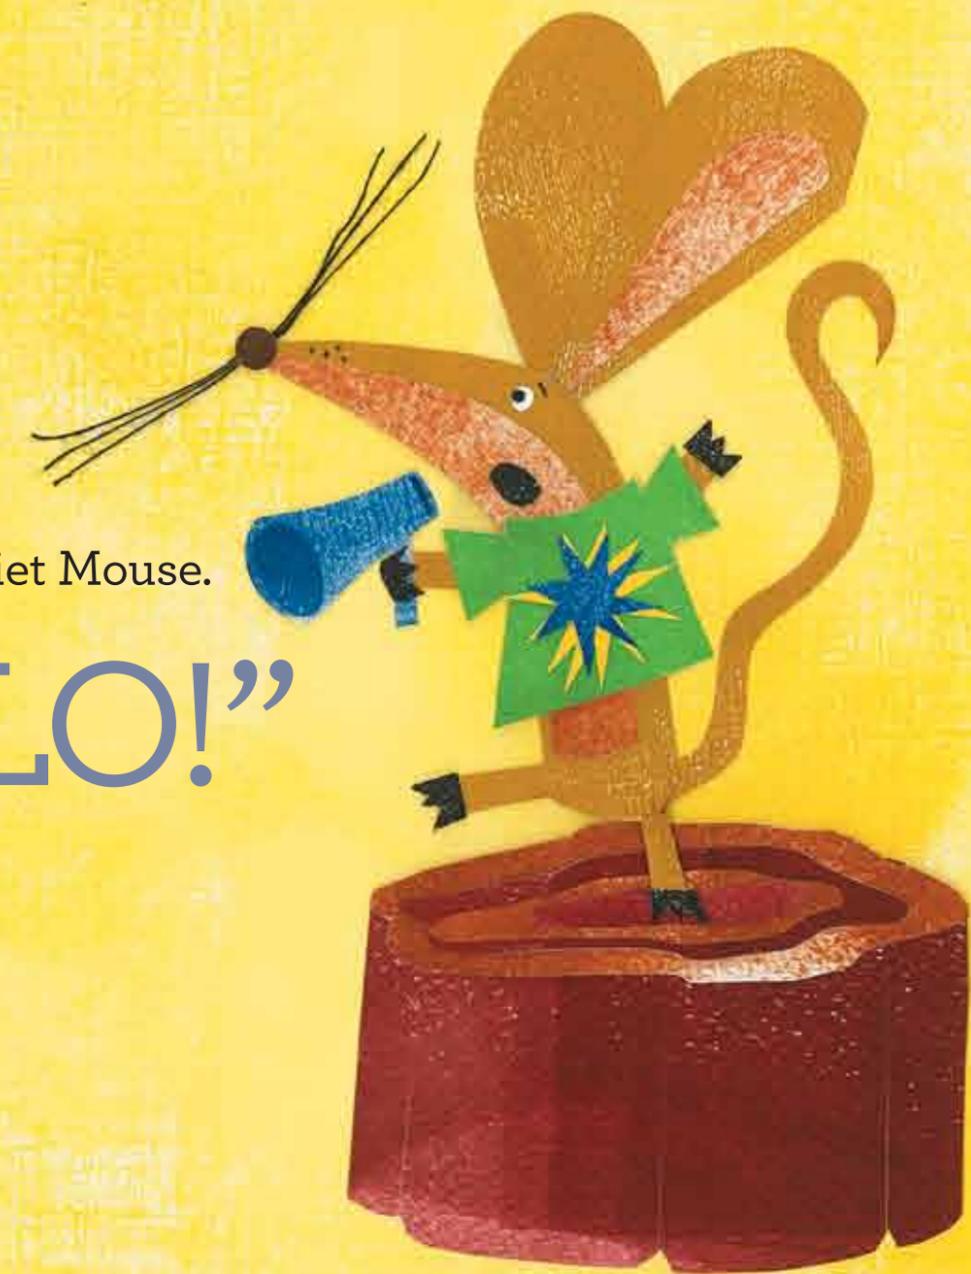

Ruth Waters

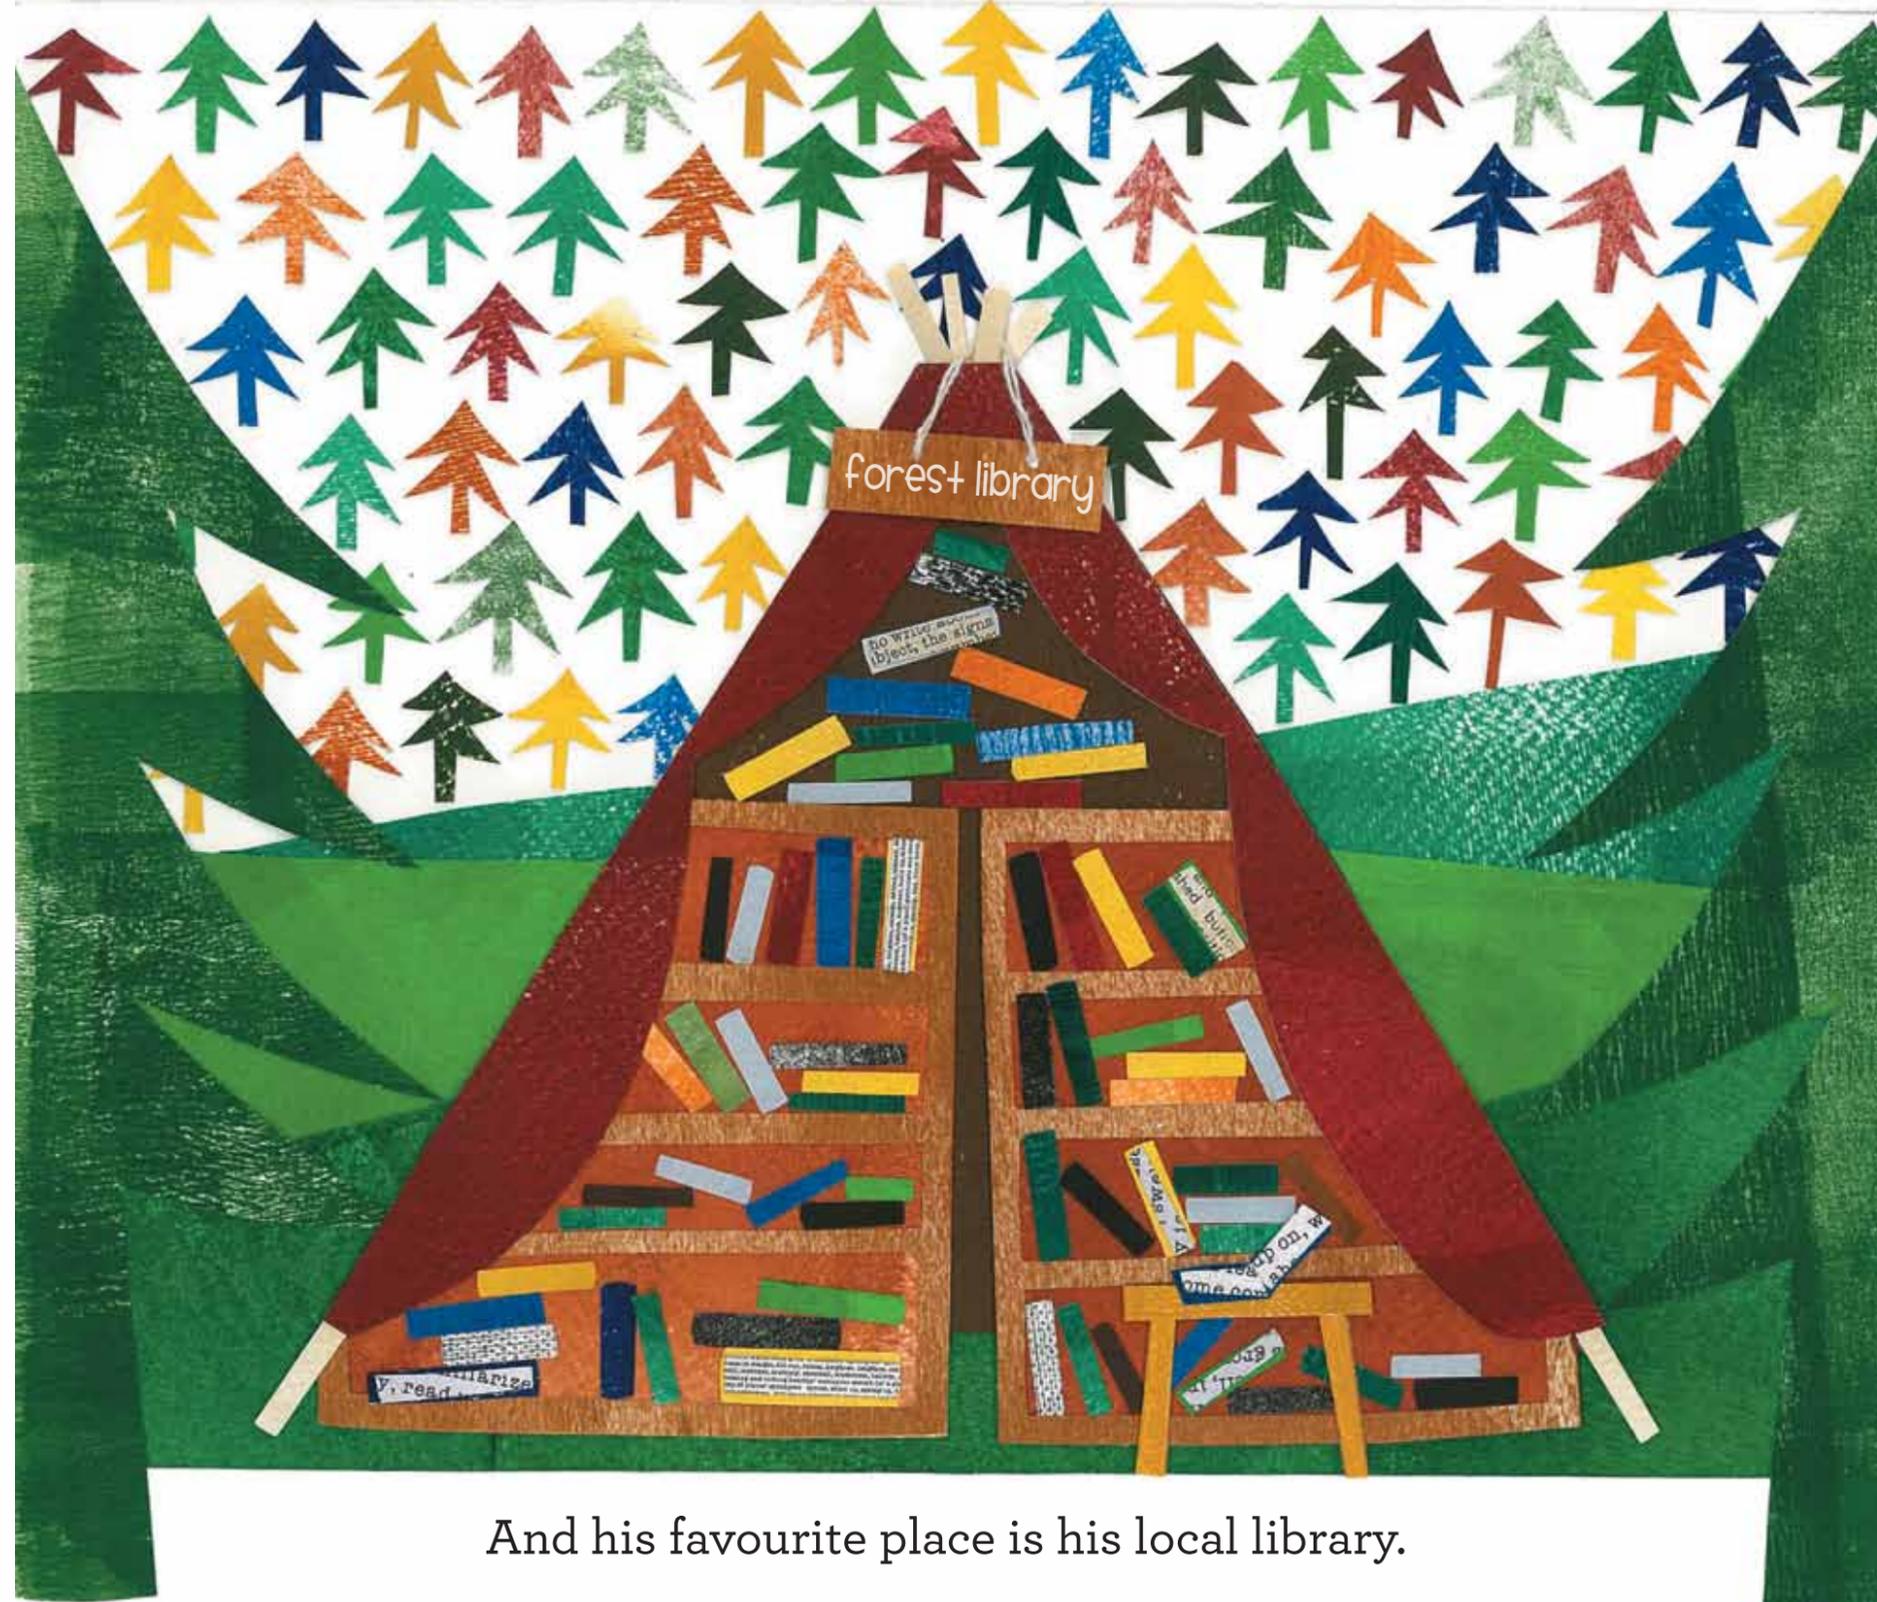

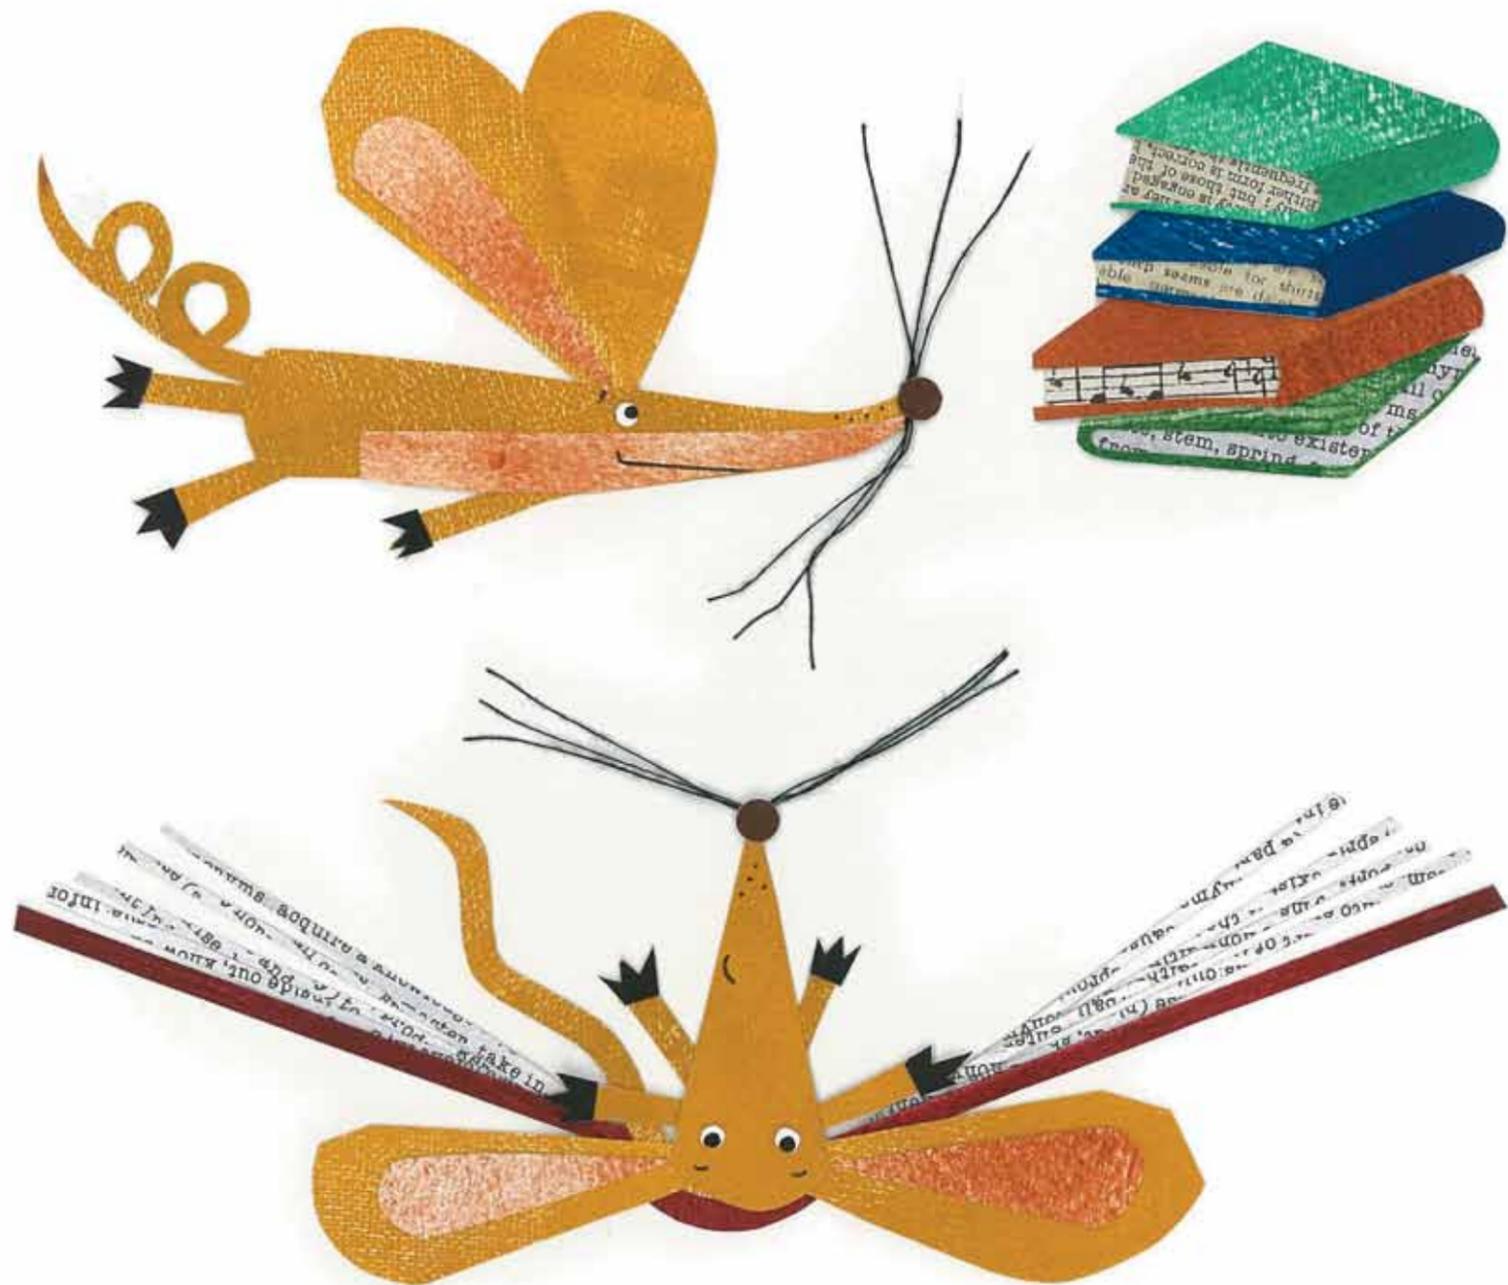

This is Not So Quiet Mouse.

“HELLO!”

His favourite things in the whole world are books.

And his favourite place is his local library.

But there is just one problem.

You have to be very quiet in a library,
something Not So Quiet Mouse
finds a little tricky.

“Once upon
a time ...”
he booms.

“A long long
time ago ...”
he shouts.

“In a land
far away ...”
he squeals.

“In a land far away ...” he shrieks.

“Shhh, shhhh,
shhhhh,”
says Not So Wise Owl.

No one will hear me down here, he thinks.
